

Voyager Program Specialist

Job Summary

The **Voyager Program Specialist** provides **personalized 1:1 support** and **small-group (3:1) instruction** to help individuals with intellectual and developmental disabilities (IDD/DD) gain independence in key areas, including:

- **Community engagement & post-secondary education**
- **Employment** (job coaching, job readiness, workplace skills)
- **Independent living & community integration** (social activities, communication, health, and fitness)
- **Self-advocacy & person-centered planning**

The ideal candidate is **flexible, creative, and adaptable**, recognizing that plans don't always go as expected. We're looking for someone who can **problem-solve on the spot, adjust activities as needed, and think outside the box** to support each participant's unique learning style and goals.

Duties & Responsibilities

- Assess each participant's skills and needs to create personalized support strategies
- Help participants develop and practice skills for work, social interactions, and independent living
- Plan and implement engaging, hands-on activities that align with individual goals
- Adapt to unexpected challenges by using creative problem-solving and active listening
- Utilize assistive technology and instructional tools to support learning and communication
- Maintain **weekly progress tracking** and update service plans regularly
- Work closely with SDRC coordinators to ensure client service plans are current

- Follow all confidentiality guidelines, state and federal regulations, and SDRC requirements
- Participate in ongoing staff training and professional development

Required Skills & Qualifications

- **2-3 years of experience** working with adults or teens with developmental disabilities (IDD/DD) **or** a strong personal connection to the IDD/DD community
- Prior experience as a **job coach** (*preferred but not required*)
- Proficiency in Google suite and Canva required.
- Strong oral and written communication skills.
- Ability to **adapt plans and think creatively** when challenges arise
- Strong organizational and time-management skills
- Positive, **collaborative approach to problem-solving**
- Professional demeanor and dress
- Must maintain confidentiality and follow safety regulations
- Must pass a background check (*LiveScan required*)
- **Reliable transportation** with a clean driving record and appropriate insurance (*if transporting participants*)
- Basic computer literacy (*Google Docs, Sheets, Word processing*)
